Vivien has over ten years of experience providing auditing and accounting services to numerous privately-held businesses, multinational enterprises and employee benefit plans. She is an audit manager on SLD's largest client, an international shipping and logistics enterprise.

Vivien was a Senior Auditor at PricewaterhouseCoopers for three and half years, where she worked on financial audits of privately-held companies within the industries of manufacturing and services. Before this, she was in the Philippines and worked in private industry as head of accounting at a large home improvement warehouse store chain. She was also an auditor for a large CPA firm performing audits of agro-based businesses and was a part-time accounting and auditing instructor at her alma mater in the Philippines.

Vivien obtained her Bachelor of Science degree in Business Administration, major in Accounting, from the Ateneo de Davao University, and her Master of Business Administration from the University of the Philippines. She is a member of the American Institute of Certified Public Accountants.

Vivien was brought up in an entrepreneurial family, where her passion to help closely-held businesses succeed evolved. At a young age, she began assisting at her parents' business, learning about business management from the ground up.
