Manufacturing

Daniel F. (Dan) Giese, CPA, joined SLD in 1985 and has been with the firm over thirty-five years. He provides various assurance and attestation services.

Dan has been instrumental in helping SLD achieve the highest rating awarded to a CPA firm by its peers, an “unqualified opinion” with no “letters of comment.” He regularly meets with clients to explain their financial statements and provide details on what the numbers mean.

Dan is a Certified Public Accountant, and a member of both the American Institute of CPAs and the California Society of CPAs.

In his free time, Dan likes to spend time with his family, travel and work for the San Francisco 49ers.
