Professional Services

Wen Sheng, CPA, MST, has over 13 years of tax experience providing tax planning, compliance, and reporting to high net individuals and various business entities, including partnership, corporation and trusts.

Prior to joining SLD, Wen worked for several CPA firms located around San Francisco and San Mateo. She also worked at Oracle Corporation's Redwood Shores headquarters as a Senior Tax Analyst.

Wen graduated from California State University, Hayward with a Master's degree in Taxation and is a Certified Public Accountant licensed in California. She is also a member of the California State Society of CPAs.

Originally from mainland China, Wen currently lives in the Bay Area and enjoys traveling with family. She is an active Jazzercise member and loves her Barrnie, a Swedish Vallhund, very much.
