**Robert P. (Bob) Dittman, CPA**, has over thirty years of experience in public accounting. He helps his clients with corporate and S-corporation taxation, and partnership and LLC issues. His high net-worth clients appreciate his tax minimization strategies that save them money.

Bob has extensive experience in the areas of mergers and acquisitions and multi-state and international tax issues. His industry expertise includes real estate, distribution, manufacturing and high-tech. Bob has been with SLD since 2002.

Prior to joining SLD, Bob worked with a number of regional and national CPA firms.

He holds a Bachelor of Science degree in Accounting from San Francisco State University.

Bob was born and raised in Pacifica. He enjoys Xbox and staying on top of pop culture in his spare time.
