Wes Sito, CPA, CVA, has twenty years of diverse tax, audit, financial and business consulting experience. He provides strategic tax planning services and financial controllership to clients.

Previously, Wes worked at A.L. Nella & Co., prior to the merger with Shea Labagh Dobberstein. He managed the audit engagements of both for-profit and non-profit organizations and has performed review and compilation of financial statements and procedures in compliance with GAAP for numerous small and medium business clients. He has been responsible for monthly forecasting and projection, financial analysis and general ledger account activities.

His accounting experience includes technology companies, manufacturing, construction, service industries, retail, real estate development, community foundations, private schools, non-profit film documentary organization and other non-profit organizations.

Wes graduated from San Francisco State University with a Bachelor Degree in Accounting and Finance. He is a member of the America Institute of CPAs, the California Society of CPAs. In addition, he is a certified valuation analyst and is a member of the National Association of Certified Valuators (NACVA).

In his personal time, Wes enjoys spending time with his family and watching sports.

You will face many defeats in life, but never let yourself be defeated..

— Maya Angelou
