Ryan Shelby, CPA, is a Tax Manager with nearly ten years of public tax experience in corporate, partnership and individual tax planning and compliance.

Ryan started his career as a Financial Controller for a restaurant and amusement center in Utah. He then went into public accounting, where he was a Tax Senior with EY in San Francisco and KPMG in Salt Lake City, Utah. Most recently, Ryan worked for Moss Adams in Spokane, Washington as a Tax Manager. There, he managed tax engagements for real estate funds, public banks and private equity clients.

Ryan has a Bachelor's degree in Accounting from the University of Utah. He is a member of the American Institute of CPAs and a Certified Public Accountant in Utah and (soon to be) Washington State.

Ryan is originally from Spokane, Washington, where he currently works remotely for SLD. His eight-year-old son and 4-year-old daughter keep him busy when he's not at work. For fun, he plays in amateur golf tournaments, skis in both snow and water, and camps. He's also the team coach for his son's basketball team.
